**CORRECTED VERSION OF THE  
PROPOSED FINDINGS OF FACT AND CONCLUSIONS OF LAW  
SUBMITTED BY THE OFFICIAL COMMITTEE OF ASBESTOS CLAIMANTS  
AND THE LEGAL REPRESENTATIVE FOR FUTURE ASBESTOS CLAIMANTS**

The Official Committee of Asbestos Claimants and Eric D. Green, as the legal representative for the future asbestos-related personal injury claimants (together the "Plaintiffs"), hereby submit a Corrected Version of their Proposed Findings of Fact and Conclusions of Law as instructed by the Court following the completion of the June 14-21, 2005 hearing regarding the estimation of the aggregate value of the present pending and expected future asbestos personal injury and wrongful death claims against T&N Limited, a U.K. company, and its non-U.S. subsidiary companies.

Since June 30, 2005, when Plaintiffs filed the original version of their Proposed Findings of Fact and Conclusions of Law, the parties have received the final corrected version of the hearing transcript ("Hr'g Tr.") which incorporated the corrections to the original transcript agreed upon by the parties.<sup>1</sup> As expected, the page and line numbers for some pages of the corrected and final version of the hearing transcript have changed slightly due to these corrections, requiring us to submit a revised set of proposed findings that reflect the proper page and line numbers for the citations to the final and corrected version hearing transcript.

Attached hereto as Attachment A (and also submitted in electronic format) is the Corrected Version of the Plaintiffs' Proposed Findings of Fact and Conclusions of Law which incorporates the corrected citations to the hearing transcript. No substantive changes to the record citations or the Plaintiffs' Proposing Findings have been made; the only changes are to citations to the hearing transcript in instances where the page or line number has shifted due to the court reporters' corrections. Attached hereto as Attachment B is a "red-line" of the Corrected Version of the Plaintiffs' Proposed Findings of Fact and Conclusions of Law showing the changes between this version of our proposed Findings and the original version of Plaintiffs' Proposed Findings of Fact and Conclusions of Law filed on June 30, 2005.

<sup>1</sup> All corrections to the original hearing transcript were non-substantive changes to correct spelling or transcription errors.
